Detailed Advertisement

Advertisement No.: IFCI/2022-23/02

IFCI Ltd., established in 1948, as India's first Development Financial Institution, is today a NBFC-ND-SI and a Government of India Undertaking. IFCI has contributed significantly to the Indian economy through its continuous support to projects in all the three spheres of growth & development – manufacturing, infrastructure & services and agriculture allied sectors.

Further, IFCI has been awarded various schemes from the Government of India as Project Management Agency/Verification Agency. Accordingly, IFCI invites online applications from Indian citizens, for engagement of experienced and seasoned professional, on contract basis, initially for a period of three (03) years, extendable on mutual agreement, for the following position:

Eligibility Criteria and Key Objectives & Responsibilities

Name of Position- Chief Digital Officer, Advisory (On Contract)

No. of Positions- 01 (UR)

Qualification:

BCA/BE/B.Tech. (Computer Science Engineering/Information Technology) /M.Tech/ MCA from a recognized university

Maximum Age:45 years*

Experience Required:

Should have at least 15 years of post-qualification experience in the sphere of Information Technology out of which 3 years should preferably be as Chief / Head of IT Department or similar role.

The candidate should have experience in analysis, implementation and evaluation of IT systems and their specifications. The candidate should also have sound understanding of computer systems (hardware/software), networks etc. and should have experience in Azure cloud or AWS. Experience in any RDBMS & PHP Laravel, GIT source code management and configurations of CI / CD pipelines is also required. The candidate should also have experience in controlling information technology budget.

Preferred Skills: The incumbent should possess a sound knowledge on data visualization and reporting tools and working knowledge on Jira. Experience in coaching Agile teams will be a plus. Prior Experience with Product Development will be an added advantage. Working experience with Finance and Manufacturing domain would also be an added advantage.

The candidate should possess strong customer service attitude and skills, the ability to manage client expectations and successfully overcoming barriers. Should be comfortable taking the lead in a

complex situation, enjoys problem-solving as well as has a knack for multi-tasking. The incumbent should have the ability to effectively communicate and rationalize technical and creative concepts and opportunities as solutions to business goals.

Key Objectives and Responsibilities:

The role will have the mandate to oversee all technology operations (e.g., Applications, network, security, cloud Infrastructure & VMs) and align them according to business requirements. The incumbent will devise and establish IT framework and systems to support the implementation of strategies. The incumbent will also analyse the business requirements of Advisory Services to determine their technology needs. Inspection of the use of technological equipment and software to ensure functionality and efficiency will also be an important dimension of the role. The incumbent will identify the need for upgrades, configurations of new systems and report to the management. The role also involves coordination with IT Managers, Business Analyst and supervise Developers, QA Engineers, IT Support Engineers to provide guidance.

The incumbent will also be responsible to provide leadership to technology resources, requiring mentoring, performance management and career development.

The incumbent will also devise a strategy to enhance business value of all IT assets and manage IT Budget. The role also involves providing assistance in building relationships with service providers and creating cost-efficient contracts. The incumbent will also manage ongoing customer relationships and broadening of solution footprints, including customer-facing roles for key accounts.

**Age relaxation in maximum age limit to Persons with Disabilities (PwD) will be provided as per Govt. of India guidelines.*
