Notice for recruitment of Project Staff
Rolling Advt. No.: IITDH/PS/Rec/01/2022-2023

IIT Dharwad is a premier Science and Technology Institute established as an Institute of national importance in 2016. IIT Dharwad presently has ten Departments namely, Biosciences and Bioengineering; Chemical Engineering; Chemistry; Civil Engineering; Computer Science and Engineering; Electrical Engineering; Humanities and Social Sciences; Mathematics; Mechanical, Materials and Aerospace Engineering; and Physics. Academic activities have begun from July 2016 session with B. Tech programs in three core branches namely Computer Science and Engineering, Electrical, and Mechanical Engineering.

IIT Dharwad is presently situated in Water and Land Management Institute (WALMI) campus (~135 acres) located on the National Highway NH-4 connecting Pune and Bengaluru. All the major facilities in Dharwad are within 10 km radius from the campus. WALMI has generously provided several buildings for the students' hostels, class rooms, laboratories, etc. for IIT Dharwad. About 470 acres of land has been allotted by the Karnataka Government for the permanent campus of IIT Dharwad. The compound wall construction has almost been completed. Master plan for the development of the campus in three phases has been developed. Detailed design of buildings is in progress. Construction of the buildings is expected to begin shortly. Photos/videos of the present campus and permanent campus of the Institute can be viewed at the links provided below:
